Viðhald, þjálfun og ráðgjöf

Hvernig pöntun virkar

01

Veldu þjónustu

Veldu af listanum eða spurðu aðstoðarmanninn. Verðið og skilmálar eru á síðunni áður en þú talar við einhvern.

02

Samþykkja rammann

Áfangi 1 er skrifleg yfirlit yfir það sem verður byggt. Þetta er eina stigið þar sem endurskoðun er innifalin.

03

Við smíðum og pússum

Þú fylgist með framvindu á forskoðunartengli. Hönnunarpólskur fínpússar samþykkta ramma og kemur ekki í staðinn.

04

Borgaðu að fullu, fáðu síðan

Skrár eru afhentar og hýsing fer í loftið þegar staðan nær núlli. USDT og USDC eru samþykktar.

Reglurnar

Greitt að fullu fyrir afhendingu

Engin síða er afhent og ekki er kveikt á hýsingu fyrr en pöntunin er að fullu greidd.

Endurskoðun lýkur á 1. stigi

Breyttu umgjörðinni eins og þú vilt áður en hann er samþykktur. Endurskoðun að henni lokinni telst sem ein ný þjónusta.

Lénskostnaður er aðskilinn

Verð innihalda aldrei lénið. Þú skráir það í þínu eigin nafni, svo það verður þitt.

Upphafsverð. Lénskostnaður ekki innifalinn. Greiðsla í USDT eða USDC. Full greiðsla á fyrir afhendingu. Almennir skilmálar

Vefsíður og áfangasíður

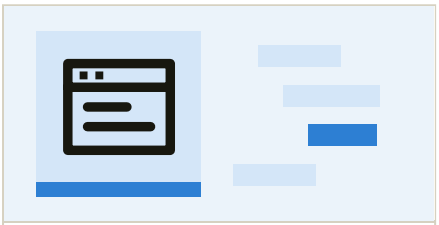

Síður sem útskýra fyrirtæki þitt og koma með fyrirspurnir viðskiptavina.

ÞAÐ SEM ÞÚ FÆRÐ

- ✓ Skrifleg umgjörð síðna og hluta
- ✓ Móttækileg smíði fyrir síma og skjáborð
- ✓ Grunn SEO merki á síðu
- ✓ Leiðbeiningar um dreifingu eða afhendingu

ÞAÐ SEM ÞÚ VERÐUR AÐ VEITA

Nafn fyrirtækis þíns, texti, myndir og lénið sem þú hefur skráð.

Techserva

Hvernig pöntun virkar

01

Veldu þjónustu

Veldu af listanum eða spurðu aðstoðarmanninn. Verðið og skilmálar eru á síðunni áður en þú talar við einhvern.

02

Samþykkja rammann

Áfangi 1 er skrifleg yfirlit yfir það sem verður byggt. Þetta er eina stigið þar sem endurskoðun er innifalin.

03

Við smíðum og pússum

Þú fylgist með framvindu á forskoðunartengli. Hönnunarpólskur fínpússar samþykkta ramma og kemur ekki í staðinn.

04

Borgaðu að fullu, fáðu síðan

Skrár eru afhentar og hýsing fer í loftið þegar staðan nær núlli. USDT og USDC eru samþykktar.

Pantaðu kl

techserva.vercel.app

Upphafsverð. Lénskostnaður ekki innifalinn. Greiðsla í USDT eða USDC. Full greiðsla á fyrir afhendingu.
